Report of Principal and School Improvement Council

Conway High School experienced a number of successes during the 2007-08 school year. Students and teachers worked very hard to prepare for a variety of state-mandated accountability tests --- end-of-course exams in English I, Algebra I, Physical Science, and United States History and the High School Assessment Program (HSAP). Our students' preparation for these important exams was enhanced by school-based initiatives such as conversion to smaller learning communities in the freshmen and sophomore classes, the use of preparation software throughout the school year by freshmen and sophomores, the "Sophomore Thirty," an HSAP preparation for all sophomore students throughout the school year, and intensive assistance for students with significant need by their teachers.

Just a few accomplishments during the 2007-08 school year include:

- The Class of 2008, consisting of 258 graduates, earned more than \$2,807,500 in college scholarships.
- 79 Seniors qualified for LIFE Scholarships.
- 8 Seniors qualified for Palmetto Fellows Scholarships.
- Students took Advanced Placement exams in US History, World History, Biology, US Government, English Language, English Literature, Calculus AB, and Calculus BC.
- EOC scores in English I, Physical Science, and US History rose significantly.
- The Drama/Choral Music students presented "The Little Shop of Horrors" in April.
- 10 athletic teams participated in the state playoffs.
- The baseball team was Lower State Champions and played for the AAAA State Championship.
- ROAR, an exhibition of excellence in academics and student activities, celebrated a fantastic beginning in April. Hundreds of students, parents, and community members took part.
